

TIP-ON for AVENTOS HK

The touch latch mechanism for handle-less stay lifts

PRODUCT
MEMO

 **blum**

Whether in the kitchen, living room or bathroom: Handle-less furniture have become an established element of modern furniture design. TIP-ON, our mechanical opening support system, ensures small stay lifts can be opened comfortably & easily.

Opening stay lifts with just a press

Thanks to TIP-ON for AVENTOS HK, handle-less stay lifts open with just a light press. To close, simply press lightly on the lift system. A catch plate attached to the inside of the front ensures secure closing.

TIP-ON for AVENTOS HK provides functional opening comfort. Just press on the furniture front and the lift system moves upward.

To close, just press lightly on the lift system.

i

Easy assembly

For drilling assembly, the TIP-ON unit is drilled in the centre of the cabinet base.

The TIP-ON unit can also be attached using an adapter plate.

The catch plate is screwed or pressed into the front

i

Advantages of TIP-ON for AVENTOS HK

- Mechanical opening support system
- Enhances TIP-ON for pull-outs and doors
- Easy assembly for all lift system front sizes and for any living area
- Easy opening and secure closing

Order specification

Power factor = cabinet height [mm] x door weight

LF 750-2.500		LF 3.200-9.000	
20K2501T		20K2901T	
20K2301T	20K2701T
