LEGRABOX

Designed to make a statement.

Creativity in the kitchen starts with a few strategically placed details. With its timeless and stylish design, LEGRABOX metal drawer systems help harmonize the overall look of the space. From sleek and metropolitan, to rustic and farmhouse, LEGRABOX is a functional design choice that allows plenty of creativity to still shine through. Available in three finishes, your drawer sides can blend perfectly with appliances to complement your personal style, making it a room ready for artistic endeavors.

Added Sophistication

Thoughtfully designed, LEGRABOX metal drawer systems add sleekness and originality to any cabinet. Impressively slim drawer sides make the most of available storage space. The full-extension, soft close runners make LEGRABOX everything a modern homeowner could want for an easier lifestyle.

Quality in Motion

Meant for well-loved spaces, LEGRABOX drawer systems are tested beyond industry standards, ensuring lasting beauty and elegance for generations to come.

BLUMOTION

LEGRABOX drawers offer smooth running action, and dependability with integrated BLUMOTION soft close.

TIP-ON BLUMOTION

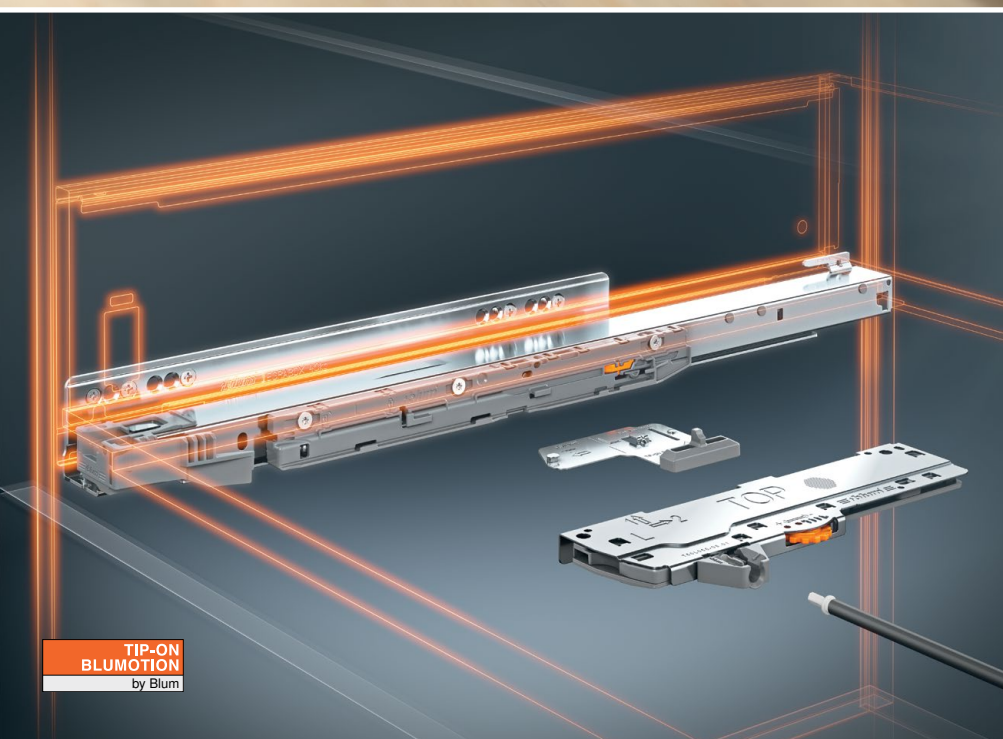

TIP-ON ensures easy opening of LEGRABOX drawers with just a light press of the drawer front. Drawers close easily and fully with a gentle, fluid push.

SERVO-DRIVE

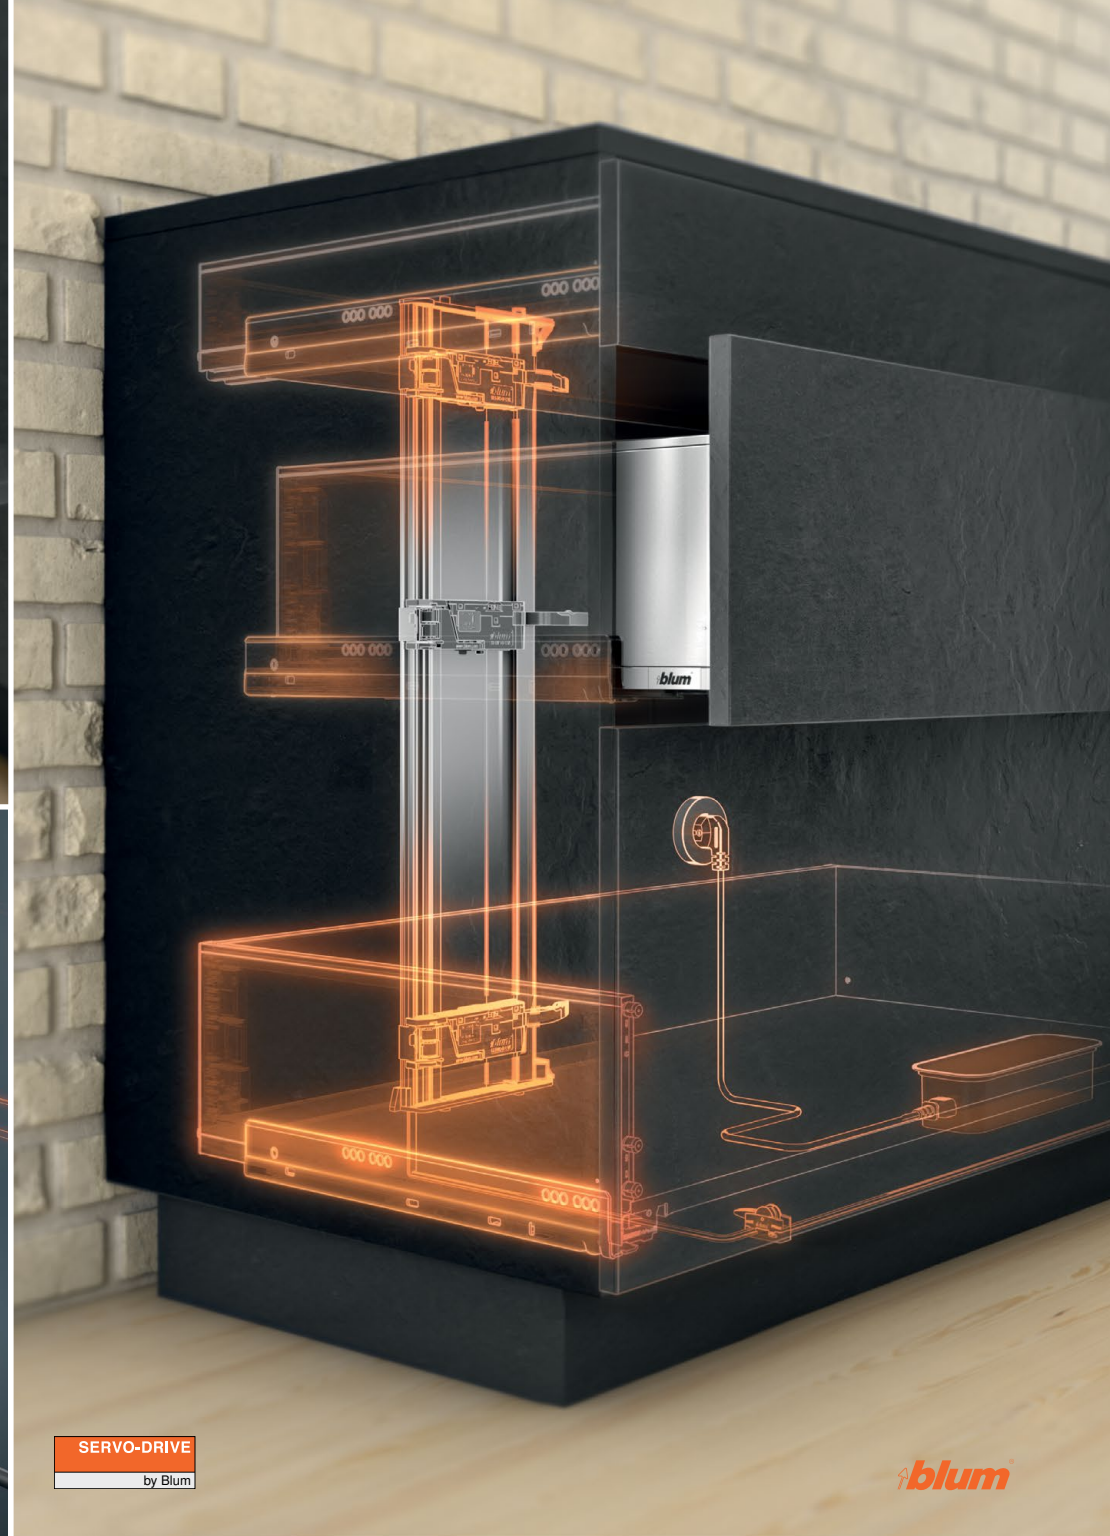

Drawers open automatically with just a light touch of the drawer front thanks to SERVO-DRIVE electrical opening feature. SERVO-DRIVE is an excellent solution for handleless designs.
