

# ORGA-LINE film & foil dispensers

PRODUCT  
MEMO

**blum**

Two new dispensers have been added to the ORGA-LINE range, one for cling film, and another for aluminium foil.

## For Cling film: a tangle-free experience

Every kitchen would benefit from adding these two products. The cling film dispenser is supplied complete with a dispenser rod. This rod ensures incredibly easy handling of the film. Film is presented crease-free and ready to use.

## For Aluminium foil: a shining result

Aluminium dispenser is a practical solution for keeping and cutting aluminium foils. It holds the foil roll securely while the cutting unit provides a precise and safe cut.

After use, the ORGA-LINE film/foil dispenser can be easily stored in the drawer. This creates extra space on the work surface.

i

Well thought-out  
function

The new Film & Foil cutter facilitates tangle-free dispensing and provides a precise and efficient cut.

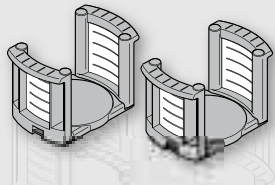

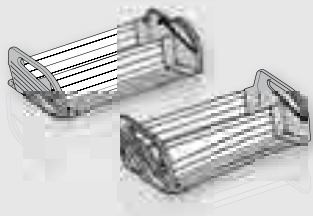

The cutter bar makes it easy to pull and cut film.
