

# Spice holder

Great solution for storing spices

PRODUCT  
MEMO

 **blum**

Spice holder is a great solution for storing all spices, in different sizes, and in one practical location. It is made from stainless steel and high-quality plastics which make the unit dishwasherable. The slightly inclined position of the base makes the spices' labels easy to read.

## Spice holder in your Preparation zone

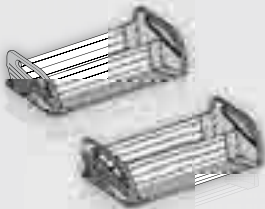

Spice holder can be kept inside your Preparation cabinet so spices are all within easy reach when preparing the meal. The simple yet practical design of its handles makes it effortless to remove and place anywhere it is needed.

## Spice Holder for everyday use

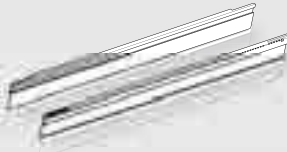

Spice holder is available in 300mm and 450mm. The base of the spice holder is made from high-quality stainless steel, making it easy to clean and dishwasher safe.
