Dear,

according to your request, we are sending you wording in Croatian language which we made for the needs of the environmental protection for your website:

ZAŠTITA OKOLIŠA

Julius Blum GmbH svjestan je utjecaja koje njegove poslovne aktivnosti mogu imati na okoliš, stoga posebnu pažnju posvećuje zaštiti okoliša. Julius Blum GmbH vjeruje da odgovorno ekološko ponašanje ima dugoročne ekonomske koristi, te zato provodi mjere zaštite okoliša pomno poštujući zakonsku i drugu primjenjivu regulativu i kontinuirano djeluje na podizanju svijesti o potrebi očuvanja okoliša kako kod zaposlenika tako i kod kupaca.

Here is the translation of our wording:

ENVIRONMENTAL PROTECTION

Julius Blum GmbH is aware of the impacts that its business activities can have on the environment, so special attention is given to environmental protection. Julius Blum GmbH believes that responsible ecological behavior has long-term economic benefits, therefore it implements environmental protection measures while respecting the legal and other applicable regulations and continuously acts to raise awareness of the need for environmental protection both for employees and customers.

For any additional informations, we are at your disposal.
