

Sales and Marketing Representative – Quebec City

Blum is a family-owned business specializing in manufacturing premium quality hinge, slide and lift door systems that improve user comfort in the kitchen and other living spaces.

YOU

- Have a good team spirit, are dynamic and have excellent interpersonal and communication skills.
- Are able to work independently and assume your responsibilities.
- Demonstrate great technical ability, both in communication and in carrying out practical work.
- Have good expertise in presenting ideas, uses and solutions to production managers and/or designers.
- Are determined to improve your learning on a regular basis and to effectively use the tools provided by the company.
- Have completed post-secondary studies in business administration, sales and/or wood processing technology or design.

WE

- We prioritize experience – you have a minimum of 3 years of sales experience.
- Let's focus on digital – ideally, you are familiar with CRM and ERP systems and have excellent command of MS Office software.
- Enjoy structured work – you have good organizational, presentation and time management skills.

- We offer opportunities for individual development – you are motivated to perfect your technological skills.
- Offer excellent benefits and joint RRSP contributions.
- Provide a company car, an iPad, an iPhone, a credit card.

LET'S TALK MORE SPECIFICALLY ABOUT YOUR ROLE

- You will collaborate in the deployment of the sales strategy which will be presented from time to time for your territory or according to the tasks assigned to you.
- You will define the business opportunities present in your territory, prepare, plan and develop proposals on how to target a specific segment and use the marketing tools at your disposal to achieve sales objectives.
- You will establish objectives and evaluate the results obtained against the objectives in order to anticipate, react and adapt to market changes.
- You will strengthen relationships with our distributors and their customers through, among other things, regular visits and online and in-person training on the products, their use and the resolution of possible problems.
- You will present new products and services on occasion.
- You will train distributor employees.
- You will optimize sales from existing customers and find new potential customers.
- You will manage the original equipment manufacturers present in the territory and provide them with support and expertise in the use of Blum products and services.
- You will participate in trade shows in Canada and/or, in some cases, abroad.
- You will travel frequently to serve the assigned territory from Trois-Rivieres to Cote Nord, at least 35% of trips will be overnight.
